Very Twisted Things: Stand-alone New Adult (Briarwood Academy Book 3)

By Ilsa Madden-Mills

From New York Times best-selling author Ilsa Madden-Mills comes a new stand-alone.

A sassy violinist who lives next door.

An obsessed rock star who watches her through binoculars.

The one night when she bares it all.

Life will never be the same in Tinseltown.

Sebastian Tate never imagined his YouTube music video would go viral, skyrocketing him to acting success in Hollywood. Okay, maybe he did. After all, he's a cocky dude who knows he's hot-as-hell, and it was only a matter of time before his stars aligned.

But life in Tinseltown is never what it seems.

Spying on his gorgeous and mysterious new neighbor with binoculars seems innocent enough, but quickly escalates into an erotic game between two very unlikely people.

Twenty-year-old Violet St. Lyons is a world-renowned violinist who's lost her mojo on stage. She hides away in a Hollywood mansion, trying to find her way through her twisted past in order to make her future.

He's the life of the party with girls chasing him down for his autograph. She's the introvert with a potty mouth who doesn't even know who he is.

When they meet, stars collide, sparks fly, and clothes come off. Yet, giving his heart to a girl isn't Sebastian's plan; falling for a guy who craves attention isn't Violet's.

Welcome to Briarwood Academy—Hollywood style—where sometimes the best things in life are **VERY TWISTED THINGS**.

*Author's note: Each book in the series is written as a stand-alone love story following a new couple, but you'll enjoy reading the other titles and seeing familiar faces return.
