Angel Medicine: How to Heal the Body and Mind with the Help of the Angels By Doreen Virtue

While researching her book *Angel Medicine*, **Doreen Virtue** uncovered methods used in the ancient healing temples of Atlantis. She began taking her audience members through a meditation so that they could experience a vicarious trip to an Atlantean healing temple. The results were so powerful that audiences began asking her to record the meditation.

The *Angel Medicine* CD is a deep-clearing meditation, designed to release stored emotional pain. Working with the archangels, you'll be able to cut etheric cords to painful relationships, release past-life traumas and troublesome vows of poverty or suffering, open your chakras with the help of the Atlantean crystal healing bed, and increase your desire to exercise and eat healthfully. Beautiful music by Angel Earth evokes the sounds of angelic healing.

These meditations are discussed in the book *Angel Medicine*, and it is highly recommended that readers use this CD as an accompaniment to that work.

A spiritual doctor of psychology focuses her healing on our connections with angels--helpers we can call on to solve large and small problems. This entire program is a meditation, accompanied by New Age music, that can be used to take the listener to the mythical temple in Atlantis where angels can heal problems like bad relationships, medical challenges, past physical and emotional traumas, and self-defeating patterns with money or career choices. There is no didactic component to this one-track CD; it's intended to accompany the book ANGEL MEDICINE and to help workshop attendees who want to carry some of this process home. Reading the book will likely make it a more useful lesson. T.W. © AudioFile 2004, Portland, Maine--
