## I Am A Curious Yellow By Michael Hanson

A sombre, brilliant novel... at its centre real - life encounters that occured in London. It maps the downfall of an hedonist, a man who drowns in heroin addiction whilst his wife and children look on, unable to help him. It gets under the skin of both real and imaginative charecters. It is receptive to all aspects of heroin addiction and of life wasted. There is no romance, only slavery.

#### About the Author

I was born in Bradford in Yorkshire in 1946. I went to Woodroyd "College of Knowledge" leaving there in the winter of 1961 aged 15 years with absolutely no qualifications whatsoever. After serving one year in the apprentice school of a local factory, I joined, in desperation, the boy service of the British Army in the spring of 1962. I served a total of seven years. If a commemorative plaque was erected for me it would read, "On this very spot in December 1946, absolutely nothing happened."
