Editorial Review

Review

From the reviews: "This is the latest volume in an annual collection of review presentations in critical care medicine. ... Practitioners and senior trainees in critical care medicine are an appropriate audience for this work. ... Chapters contain a reference list of 10 to 30 citations. ... This is a worthwhile update for ... practitioners in intensive care medicine. ... Use of faculty from an international critical care conference supports overall strength of this work." (David J. Dries, Doody's Review Service, July, 2010)
