Editorial Review

From School Library Journal

Grade 3 Up?Frost satisfies in every way; Dickinson does not. Bolin's four-page introduction describes and explains Emily Dickinson's odd life style and creative productivity. This is followed by 36 poems loosely arranged by the topics of hope, death, and poetry. This organization, however, is not readily apparent; nor is the reasoning behind defining some words (gale, bog, shanties, etc.) and not others (dimity, helmsman, countenance). An index of first lines and little else will help readers searching for poems by subject. The prettily colored watercolors are flat and stylized, and seem better suited to nursery rhymes than Dickinson's insightful and witty glimpses of an entire universe in a blade of grass or of "paradise" gathered by "narrow hands." Frost contains a three-page overview of the poet's life, 29 poems selected and arranged around the seasons of the year, brief and apt commentaries on each, and a useful index of titles and subject matter. The realistic watercolor illustrations capture the delicate beauty of a New England spring and the glory of fall while still suggesting the around-the-corner chill of winter, a disquiet echoing throughout much of Frost's poetry.?Meg Stackpole, Rye Free Reading Room, NY

Gr. 5-7. In an attractive large-size volume that's part of the Poetry for Young People series, Schmidt has chosen 25 poems to introduce Robert Frost to young people. The selections are arranged by the seasons, and Sorensen's handsome watercolor illustrations capture the feel of the New England landscape without in any way trying to provide literal images for the poetry. There's an excellent biographical essay, and at the bottom of each page, Schmidt provides a brief note on some of the possible ways to read the lines: many readers will ignore the quiet commentary, but some teachers and children will find it a stimulus to go back into the words. Schmidt quotes Frost as saying: "There ought to be in everything you write some sign that you come from almost anywhere." These nature poems show that poetry holds feelings and ideas that everyone can understand. *Hazel Rochman*

From reader reviews:

David Carson:

In other case, little people like to read book Poetry for Young People: Robert Frost. You can choose the best book if you appreciate reading a book. Provided that we know about how is important a new book Poetry for Young People: Robert Frost. You can add knowledge and of course you can around the world by a book. Absolutely right, since from book you can recognize everything! From your country till foreign or abroad you will end up known. About simple matter until wonderful thing you can know that. In this era, we could open a book as well as searching by internet gadget. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's read.

Allison Devore:

Book is to be different for each and every grade. Book for children until finally adult are different content. To be sure that book is very important for people. The book Poetry for Young People: Robert Frost ended up being making you to know about other information and of course you can take more information. It is rather advantages for you. The publication Poetry for Young People: Robert Frost is not only giving you a lot more new information but also being your friend when you feel bored. You can spend your own spend time to read your reserve. Try to make relationship together with the book Poetry for Young People: Robert Frost. You never experience lose out for everything should you read some books.

Kathleen Bonds:

Many people spending their moment by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to invest your whole day by reading a book. Ugh, ya think reading a book really can hard because you have to use the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smartphone. Like Poetry for Young People: Robert Frost which is having the e-book version. So , try out this book? Let's observe.

Ernestine Biggs:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Poetry for Young People: Robert Frost can make you feel more interested to read.
