Smoke Signals (Tulsa Thunderbirds Book 2) (Volume 2) By Catherine Gayle

USA Today bestselling author Catherine Gayle presents the second novel in the Tulsa Thunderbirds hockey romance series.

Growing up poor with a mother who would do anything—even sell her body—for him had a profound impact on Ray “Razor” Chambers. Playing pro hockey for the Tulsa Thunderbirds allows him the means to make sure she never needs to do anything like that again. It’s also given him the ability to have a good time when he wants to, which is often. Right now, for instance, he’s in Vegas because for his best buddy’s bachelor party...and Razor is always down to party.

Viktoriya Dubrovskaya has been studying ballet in California, but money is tight and there’s no help coming from home in Russia. She started making extra money as a dancer in a club, and that eventually led her to the adult film industry. Porn paid her well, but it stripped her of everything she was and all she wanted. She’s left the business behind, but it was already too late. Now she’s out of time, money, and options.

In desperation, Viktoriya makes herself available to Razor on the casino floor. There’s no chance he’ll take her up on what she’s selling, but he offers a counter-proposal—one involving a ring, a green card, and the chance to reclaim her body. It’s an opportunity she can’t pass up. For Viktoriya and Razor, learning to live together as husband and wife is as foreign as interpreting *Smoke Signals*, but where there’s smoke, there’s usually fire.

Editorial Review

From the Author

The Tulsa Thunderbirds series is a spin-off series from *USA Today* bestselling author Catherine Gayle's Portland Storm series. Storm fans can expect some familiar characters, lots of hockey action, and the same emotional backdrop in a sexier, edgier package.

The same general trigger warning applies to this series, as the books tackle serious issues such as sex trafficking, PTSD, and physical abuse. Additionally, I have another warning for you. The hockey players in the Tulsa Thunderbirds series curse like...well...like hockey players. Also, there is a fair amount of sex in these books. If sex and cursing aren't your cup of tea, these books likely won't be, either.

You do not need to have read the Storm series to follow the Thunderbirds series, and vice versa. Each novel in the Thunderbirds series can stand alone, although your enjoyment will be enhanced by reading them in order.
