The Intelligent Woman's Guide to Socialism & Capitalism By George Bernard Shaw

First published in 1928 and addressed to the *The Intelligent Woman* (specifically his sister-in-law, Lady Mary Stewart Cholomondely), George Bernard Shaw's *Guide to Socialism and Capitalism* should be read by every American in the twenty-first century who has benefited, or ever will benefit, from Social Security, Medicare, Medicaid, the Affordable Care Act, disability, unemployment, food stamps, or any of the government's social insurance programs.

The inequities of capitalism as an economic system are nothing new, and Shaw was one of the early champions of socialist reforms to protect the working class against the advantages capitalism gives those who control the means of production.

As statistics continue to tell a story of widening income inequality in the US today, Shaw's wise and witty look at the justice of socialist policies tells us how we can do better.

Editorial Review

Users Review

From reader reviews:

Gary Lane:

Inside other case, little individuals like to read book The Intelligent Woman's Guide to Socialism & Capitalism. You can choose the best book if you like reading a book. So long as we know about how is important the book The Intelligent Woman's Guide to Socialism & Capitalism. You can add information and of course you can around the world by way of a book. Absolutely right, mainly because from book you can learn everything! From your country right up until foreign or abroad you can be known. About simple factor until wonderful thing you may know that. In this era, we can easily open a book or even searching by internet gadget. It is called e-book. You can utilize it when you feel bored to go to the library. Let's learn.

Sarah Johnson:

As people who live in often the modest era should be change about what going on or information even knowledge to make these keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by looking at books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Intelligent Woman's Guide to Socialism & Capitalism is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

David Hoag:

The particular book The Intelligent Woman's Guide to Socialism & Capitalism will bring you to definitely the new experience of reading some sort of book. The author style to clarify the idea is very unique. If you try to find new book to learn, this book very acceptable to you. The book The Intelligent Woman's Guide to Socialism & Capitalism is much recommended to you to learn. You can also get the e-book from the official web site, so you can more readily to read the book.

Michael Watkins:

Why? Because this The Intelligent Woman's Guide to Socialism & Capitalism is an unordinary book that the inside of the reserve waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book adjacent to it was fantastic author who else write the book in such awesome way makes the content inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking

way. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.
