### Editorial Review

#### Amazon.com Review

You saw the animated film, you bought the video, you couldn't get tickets to the stage show--here's the coffee-table book. But wait: what keeps *The Lion King: Pride Rock on Broadway* from being just another commercial Disney tie-in is the iconoclastic voice of director/designer Julie Taymor. She uses the text of this book as a diary for her personal struggle to merge her off-off-Broadway avant-garde sensibility with Disney's unabashedly bigtime commercial one. Her chronicle lends context to the already lush and abundant illustrations, photographs, and sketches of Taymor and her collaborators at work.
