Agent Storm: My Life Inside al Qaeda and the CIA By Morten Storm, Paul Cruickshank, Tim Lister

Morten Storm was an unlikely jihadi. A six-foot-one red-haired Dane, Storm spent his teens in and out of trouble. A book about the Prophet Mohammed prompted his conversion to Islam, and Storm sought purpose in a community of believers. He attended a militant madrasah in Yemen, named his son Osama, and became close friends with Anwar al-Awlaki, the American-born terrorist cleric. But after a decade of jihadi life, he not only repudiated extremism but, in a quest for atonement, became a double agent for the CIA and British and Danish intelligence.

Agent Storm takes readers inside the jihadist world like never before, showing the daily life of zealous men set on mass murder, from dodging drones with al Qaeda leaders in the Arabian desert to training in extremist gyms in Britain and performing supply drops in Kenya. The book also provides a tantalizing look at his dangerous life undercover, as Storm traveled the world for missions targeting its most dangerous terrorists, and into the most powerful spy agencies: their tradecraft, rivalries, and late-night carousing, as well as their ruthless use of a beautiful blonde in an ambitious honey trap. *Agent Storm* is a captivating, utterly unique, real-life espionage tale.

Editorial Review

Review

A National Bestseller

One of the *Guardian's* Top Ten Books About Spies

“Highly credible. . . . Both a rollicking read and a rare insider’s account of Western spying in the age of al Qaeda, where the risk if exposed is not Cold War-style expulsion but gruesome execution. . . . A valuable window on both sides in a lethal underground war.”

—*New York Times Book Review*

“This book reads like a screenplay for a James Bond movie written by Joel and Ethan Coen. . . . Anyone interested in the saga of terrorist fanatics will find *Agent Storm* compelling.”

—*Washington Post*

“Morten Storm has done the Western world a great service. . . . And by the way, the CIA owes him 5 million dollars.”

—Brian Kilmeade, Fox News

“An extraordinary story, well told and convincing.”

—*Foreign Affairs*

“[A] gripping firsthand account Storm’s work provides valuable and fascinating insight into the quiet battle being waged between clandestine national agencies and various terrorist organizations.”

—*Christian Science Monitor*

“*Agent Storm* feels like a James Bond story or one of John Le Carre’s marvelous spy-thrillers. Yet, the story written by CNN’s Paul Cruickshank and Tim Lister is a true account. . . . First-rate.”

—War on the Rocks

“Morten Storm’s account of his nerve-wracking life spying on Al Qaeda for Western intelligence gives us the most detailed, compelling, and human look at modern espionage in the lethal world of jihadist terrorism that we are likely to get. This ground-level view of the shadowy struggle between these two clandestine groups is truly gripping.”

—Mark Stout, former CIA officer and Director, MA in Global Security Studies, Johns Hopkins University

“Picture *Homeland*’s Nicholas Brody getting jacked during his time as a POW and you’ll get an idea of Morten Storm, the 6’1”, red-haired Dane who went from unlikely jihadi to double agent. . . . Storm’s tale of dodging drones and navigating alliances may read like a great espionage thriller (complete with a blonde honey trap), but his deeply personal struggle with extremism and atonement is the real story.”

—*Maxim*

“*Agent Storm* is the remarkable memoir of a Danish convert-turned-extremist who managed not only to infiltrate al Qaeda’s ranks but would later become one of West’s most valued human intelligence assets in the war on terrorism. As a true spy-story, this book brings you incredibly close to what it actually takes to be

an extremist and get into a terrorist group while balancing loyalty and treachery in the world of intelligence. Essential reading for everyone interested in how the war on terrorism is actually fought in the shadows.”

—Dr. Magnus Ranstorp, a leading expert on international terrorism and Research Director of the Centre for Asymmetric Threat Studies at the Swedish National Defence College

“*Agent Storm* opens a unique window onto bleak interlocking landscapes—the radicalization of European Muslims that has now been energized by the Syrian civil war, the leadership and organization of global jihad, and the twilight struggle waged by western intelligence agencies against an elusive and implacable enemy.”

—Steven Simon, bestselling co-author of *The Age of Sacred Terror* and *The Next Attack*

“In *Agent Storm*, Morten Storm, Paul Cruickshank, and Tim Lister tell an astonishing and unknown tale of the exploits, change of allegiances, double crosses and inner workings of both al Qaeda terrorist groups and the Western intelligence agencies charged with stopping them. Storm's unlikely path puts him at the center of much of the al Qaeda activity and affiliated plots in Western Europe as well as in Somalia and Yemen since 9/11. Grounded in the necessary broader geopolitical context, *Agent Storm* is hard to put down.”

—Mitch Silber, former Director of Intelligence Analysis at the NYPD and author of *The Al Qaeda Factor*

"Gripping."

—*Publishers Weekly*

“Probably the best account of a modern-day secret agent. Morten Storm, a convert to Islam, vividly recounts his work for the CIA and British intelligence, against extremists in Europe and al-Qaeda in the Yemen.”

—*Guardian* (“Top Ten Books About Spies”)

“Remarkable. . . . Morten Storm is the living embodiment of the theory that it is the bad boys at school who make the best spies. . . . *Agent Storm* is an astonishing expose not only of the world of jihadi, but also the workings of those who secretly protect us.”

—*Telegraph* (UK)

“Storm has been involved in many of the most critical terrorism cases since the attacks of Sept. 11, 2001. This means if the revelations in his newly released memoir, *Agent Storm*, are true, he is not only this decade's most intriguing informant: he could also be the most important.”

—*Toronto Star*

"[A] gripping story."

—*Daily Mail* (UK)

“Storm's memoir is manna from heaven for counterterrorism experts.”

—*Sunday Times* (UK)

“[Storm's] allegations have proved explosive.”

—*Independent* (UK)

About the Author

Morten Storm is a former radical Islamist born in Korsor, Denmark. After plunging deep inside the world of al Qaeda, he became a double agent employed by the American, British, and Danish intelligence agencies. He lives in an undisclosed location.

Paul Cruickshank is CNN's Terrorism Analyst, and the editor of "Al Qaeda," a five-volume collection of key scholarly works on the terrorist network.

Tim Lister is has worked for CNN and the BBC and has extensive experience of the Middle East.

Users Review

From reader reviews:

Robert Crumrine:

This Agent Storm: My Life Inside al Qaeda and the CIA are generally reliable for you who want to be considered a successful person, why. The main reason of this Agent Storm: My Life Inside al Qaeda and the CIA can be on the list of great books you must have is definitely giving you more than just simple reading food but feed a person with information that possibly will shock your prior knowledge. This book is actually handy, you can bring it just about everywhere and whenever your conditions at e-book and printed ones. Beside that this Agent Storm: My Life Inside al Qaeda and the CIA giving you an enormous of experience including rich vocabulary, giving you trial run of critical thinking that we all know it useful in your day pastime. So , let's have it and revel in reading.

Michael Carr:

The e-book untitled Agent Storm: My Life Inside al Qaeda and the CIA is the guide that recommended to you to learn. You can see the quality of the e-book content that will be shown to you. The language that creator use to explained their ideas are easily to understand. The copy writer was did a lot of research when write the book, and so the information that they share to you personally is absolutely accurate. You also might get the e-book of Agent Storm: My Life Inside al Qaeda and the CIA from the publisher to make you far more enjoy free time.

William Jones:

You may spend your free time to see this book this book. This Agent Storm: My Life Inside al Qaeda and the CIA is simple to develop you can read it in the park, in the beach, train and soon. If you did not possess much space to bring often the printed book, you can buy often the e-book. It is make you easier to read it. You can save typically the book in your smart phone. So there are a lot of benefits that you will get when you buy this book.

Sherry Nicholson:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Agent Storm: My Life Inside al Qaeda and the CIA can make you sense more interested to read.
