AutoCAD 2013 (Spanish Edition) Bartolomé López Lucas, Víctor Breña Calvo
El Diseño Asistido por Ordenador (DAO), más conocido por sus siglas en inglés CAD (Computer Aided Design), es el uso de un amplio rango de herramientas computacionales que ingenieros, arquitectos y otros profesionales del diseño utilizan en el desarrollo de su trabajo.

Estas herramientas se pueden dividir básicamente en programas de dibujo de dos dimensiones (2D) y modeladores en tres dimensiones (3D). Las herramientas 2D se basan en entidades vectoriales, como puntos y líneas, que se operan a través de una interfaz gráfica. Los modeladores 3D añaden superficies y sólidos. A través de este curso el alumno aprende a instalar y manejar la herramienta a lo largo de las siguientes unidades: el entorno de trabajo en AutoCAD, administración de los dibujos, precisión en el dibujo, herramientas avanzadas de precisión, operaciones básicas de dibujo y de edición, operaciones generales de edición, propiedades de los objetos, otros métodos de edición, selección y consulta.

Editorial Review

Users Review

From reader reviews:

Michelle Johnson:

Here thing why this AutoCAD 2013 (Spanish Edition) are different and reputable to be yours. First of all examining a book is good but it really depends in the content of the usb ports which is the content is as tasty as food or not. AutoCAD 2013 (Spanish Edition) giving you information deeper since different ways, you can find any reserve out there but there is no book that similar with AutoCAD 2013 (Spanish Edition). It gives you thrill examining journey, its open up your eyes about the thing this happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park your car, café, or even in your way home by train. In case you are having difficulties in bringing the branded book maybe the form of AutoCAD 2013 (Spanish Edition) in e-book can be your option.

Kathryn Patterson:

Reading a book to become new life style in this 12 months; every people loves to learn a book. When you go through a book you can get a lot of benefit. When you read publications, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you want to get information about your study, you can read education books, but if you act like you want to entertain yourself look for a fiction books, such us novel, comics, in addition to soon. The AutoCAD 2013 (Spanish Edition) provide you with a new experience in reading through a book.

Brenda Carey:

That publication can make you to feel relax. That book AutoCAD 2013 (Spanish Edition) was colourful and of course has pictures on there. As we know that book AutoCAD 2013 (Spanish Edition) has many kinds or style. Start from kids until adolescents. For example Naruto or Investigation company Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it offers you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading that.

Ralph Dell:

Guide is one of source of know-how. We can add our knowledge from it. Not only for students but native or citizen want book to know the up-date information of year for you to year. As we know those books have many advantages. Beside many of us add our knowledge, could also bring us to around the world. Through the book AutoCAD 2013 (Spanish Edition) we can take more advantage. Don't you to definitely be creative people? For being creative person must want to read a book. Just choose the best book that suitable with your

aim. Don't be doubt to change your life by this book AutoCAD 2013 (Spanish Edition). You can more pleasing than now.
