Editorial Review

About the Author

James Robert Bitter is Professor of Counseling at East Tennessee State University. He is a Diplomate in Adlerian Psychology (NASAP, 2002) and a former editor of the Journal of Individual Psychology. He started his Adlerian career at Idaho State University under the guidance of Tom Edgar, and worked for more than thirty years with the late Manford Sonstegard. Together with Drs. Oscar Christensen, Clair Hawes, and Bill Nicoll, he is a founding faculty member of the Adlerian Training Institute based in Port St. Lucie, Florida. Jim is an Adlerian integrationist who uses Adlerian Psychology as the basis for his work, but he also integrates what he has learned from other great teachers in his life, including the late pioneer of family therapy in America, Virginia Satir, the work of the Gestalt Master therapists, Erv & Miriam Polster, and the postmodern work of the late Narrative therapist, Michael White.

Users Review

From reader reviews:

Lillian Owensby:

Do you among people who can't read enjoyable if the sentence chained from the straightway, hold on guys this particular aren't like that. This Contributions To Adlerian Psychology book is readable simply by you who hate the straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving even decrease the knowledge that want to give to you. The writer connected with Contributions To Adlerian Psychology content conveys prospect easily to understand by most people. The printed and e-book are not different in the information but it just different such as it. So, do you still thinking Contributions To Adlerian Psychology is not loveable to be your top checklist reading book?

George Gomez:

Spent a free the perfect time to be fun activity to complete! A lot of people spent their leisure time with their family, or all their friends. Usually they doing activity like watching television, going to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? Might be reading a book may be option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of book that you should read. If you want to try out look for book, may be the book untitled Contributions To Adlerian Psychology can be great book to read. May be it could be best activity to you.

Roberta Bourland:

Playing with family inside a park, coming to see the ocean world or hanging out with pals is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition info. Even you love Contributions To Adlerian Psychology, you could

enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't have it, oh come on its known as reading friends.

Edward Donnelly:

Is it you who having spare time then spend it whole day through watching television programs or just laying on the bed? Do you need something totally new? This Contributions To Adlerian Psychology can be the response, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?
