### **Editorial Review**

From the Author

When I began this series, I initially wanted to create a lovable teenage homeless girl who was struggling to survive life on the streets. What I ended up with was something completely different. Emily Heart came alive on the pages and touched my heart, leading me down a path of self-discovery right along with her. She's not just a 15-year-old girl who's burdened with an uncontrollable time jumping condition. She's a deeply caring, powerfully strong young lady with an unwavering will to survive. She has rules that she lives by, but finds that sometimes rules must be broken, even if it means that she might become too emotional and simply blink out of existence. Finding love is dangerous for everyone, but for Emily Heart it can mean the end of all that she is. Life on this planet isn't fun or fair for most of us, but for Emily Heart, life is all she wants. Fair or unfair, just making it through another day is reward enough.
