The Duplicitous Debutante (Cotillion Ball Book 6) By Becky Lower

In 1859, ladies of New York society are expected to do three things well: find a husband, organize a household, and have children. But despite her mother's best intentions, making her debut is the last thing on Rosemary Fitzpatrick's mind.

Writing the popular Harry Hawk dime novels as F.P. Elliott, she's too busy hiding her female identity from her new publisher, Henry Cooper. To protect her clandestine career, she ends up posing as the enigmatic author's secretary.

Henry is not the typical Boston Brahmin, nor the typical publisher, and Rosemary entrances him from the moment they meet. As they work together and grow closer, he wonders how his traditional-minded father will react when he brings her into the family, because Henry firmly intends to marry the working-class woman.

But when her deception begins to unravel at the cotillion ball, will Henry be able to forgive her or has deceit cost her the man she loves?

Sensuality Level: Sensual

Editorial Review

Review

"Becky Lower did a fabulous job of incorporating fencing terminology and painting a picture of the type of man and character Henry was. I also enjoyed the French he would slip in from his time in New Orleans." -- **5 stars, A Cup of Tea**"If a clever, witty, and entertaining read is what you're looking for, *The Duplicitous Debutante* definitely fits the bill! ... it's a refreshing take at historical romance, and it makes me eager to try out the rest of the series." --**5 stars, Cryptic Reads**

"Lower has mastered a fascinating style that transports the reader to that time and immerses us in the clothing, the traditions, the expectations. But at the same time, she does it in a way that doesn't so much make you feel like you've just crash landed in another time, but rather that you belong there with her characters."--**4 stars, Fic Central**

"Lower has an exceptional voice for historical romance, layering in colorful historical details that truly allowed me to be transported to 19th century America."--**4 stars, Night Owl Reviews**

"Readers, prepare yourselves for a sweet, yet racy romance!"-**Ind'Tale Magazine**

"A spirited Regency romance with a twist."-**Fresh Fiction**

From the Author

This book has been voted #2 Best Historical Romances of 2014 on Goodreads

About the Author

Becky Lower has traveled the country looking for great settings for her novels. She loves to write about two people finding each other and falling in love, amid the backdrop of a great setting, be it present day middle America or on a covered wagon headed west in the 1850s. Contemporary and historical romances are her specialty.
