It serves as a 'how to' guide for those entering the business, as well as a refresher on the skills and attributes for those ready to take the next step. The book effectively defines the leader's role in creating the team culture and environment for success." -- Eugene F. Kranz, Apollo 13 Flight Director, author of *Failure Is Not an Option*, and retired Director NASA Space Operations

"Program management is one of the toughest jobs a person can hold…and James Brown knows Program Management. Here's a chance to learn from the scar tissue of others rather than your own." -- Norman R. Augustine, retired Chairman and CEO, Lockheed Martin Corporation

"Finally, a pragmatic book that shares the secrets behind successful program management. If I was giving one book to program managers, this would be it! Any business leader in today's environment of accelerating change will benefit from this book." -- Jack Cooper, former CIO, Bristol-Myers Squibb
