### **Editorial Review**

From the Author

Kelly C. O'Mahoney was a very special young woman. At the age of 21, she passed away almost exactly one year from being diagnosed with brain cancer in August of 2013. I was privileged to spend time with Kelly as she suffered through treatments, hopes, disappointments and always kept her faith. What I experienced was an amazing amount of love, generosity and faith which was shared by friends and Kelly's family members as Kelly struggled and fought the disease which had overtaken her brain. I deeply feel that Kelly gave me the courage to fulfill my dream of becoming a writer. For this reason, I will donate a portion of the profits of every book that I may write to her foundation to raise awareness and funding research to eradicate brain cancer.
