Awakening (Covenant College Book 1) By Amanda M. Lee

College was supposed to be all about booze and boys. For Zoe Lake, though, it's all about monsters and mayhem.

An incoming freshman at Covenant College, Zoe is excited to meet her roommates and attend classes. There's only one problem: Covenant College isn't all it's purported to be.

First off, there are attractive -- yet mysterious -- men skulking around every corner. Then there's that persistent professor that thinks he knows some secret about her past that even she isn't aware exists.

Then there are the rumors. You know the ones. The ones that say Covenant College is home to more than just humans -- but vampires and werewolves, too. Not only is Zoe going to find herself in the middle of madness -- but she's going to have to try and pass finals while she endeavors to solve the mystery of what a monster really is.

Note: These books are full of sarcasm and are a little bit snarky -- so read only if you like to laugh and like your paranormal with a little bit of fun. This is the first book in the Covenant College young adult series.

Editorial Review

About the Author

When I was a kid, I was torn between whether or not I was going to grow up and be the Incredible Hulk or Wonder Woman. I flirted with being a Jedi Knight for awhile, but I wasn't up for the intense travel associated with the gig. In my teens, I settled on being a writer -- although I had no idea the effort that would entail. Not only am I a writer now, but I'm a writer in several different mediums. I'm a longtime newspaper reporter, an avid reader and a voracious science fiction fanatic. Follow me on Twitter at @yodaoneforme.

Users Review

From reader reviews:

Larry Dolin:

Nowadays reading books are more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information.
