Breaking the Rules (Pushing the Limits Book 5) By Katie McGarry

A summer road trip changes everything in this unforgettable new tale from acclaimed author Katie McGarry.

For new high school graduate Echo Emerson, a summer road trip out west with her boyfriend means getting away and forgetting what makes her so . . . different. It means seeing cool sights while selling her art at galleries along the way. And most of all, it means almost three months alone with Noah Hutchins, the hot, smart, soul-battered guy who's never judged her. Echo and Noah share everything--except the one thing Echo's just not ready for.

But when the source of Echo's constant nightmares comes back into her life, she has to make some tough decisions about what she really wants--even as foster kid Noah's search for his last remaining relatives forces them both to confront some serious truths about life, love, and themselves.

Now, with one week left before college orientation, jobs and real life, Echo must decide if Noah's more than the bad-boy fling everyone warned her he'd be. And the last leg of an amazing road trip will turn . . . seriously epic.

Editorial Review

Review

"Again, McGarry writes in a way that allows readers to be privy to the intimate and heartwrenching thoughts of her characters, in such spectacular fashion that it's easy to forget one is reading fiction. Breaking the Rules may be a companion novel to Pushing the Limits, but it's a fantastic standout nonetheless." ~ RT Magazine Top Pick and 4.5 Star Review

"BREAKING THE RULES is amazing, heartbreaking, sexy and sweet -- Katie McGarry as usual blew me away." ~ Monica Murphy, New York Times Bestselling author of the ONEWEEK GIRLFRIEND series

"Echo and Noah stole my heart - and my breath - again. Bravo, Ms. McGarry, for another gripping, romantic ride." ~ New York Times Bestselling Author Tammara Webber

"As they try to put to rest a past that still haunts them I became more deeply attached to Noah and Echo than ever. The connection between them has only grown more intense--their chemistry is explosive! Highly emotional and hugely inspiring... I had an ache in my chest as I turned each page, willing these beautiful characters to find themselves and their happy ending." ~ New York Times Bestselling author Samantha Young of On Dublin Street

About the Author

KATIE MCGARRY was a teenager during the age of grunge and boy bands and remembers those years as the best and worst of her life. She is a lover of music, happy endings, and reality television, and is a secret University of Kentucky basketball fan. Katie would love to hear from her readers. Contact her via her website, katiemcgarry.com, follow her on Twitter @KatieMcGarry or become a fan on Facebook and Goodreads.

Users Review

From reader reviews:

Carol Witt:

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, the particular best subject for that? Only you can be answered for that query above. Every person has different personality and hobby for each and every other. Don't to be forced someone or something that they don't want do that. You must know how great along with important the book Breaking the Rules (Pushing the Limits Book 5). All type of book are you able to see on many resources. You can look for the internet methods or other social media.

Joan Stump:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The data you get based on what kind of

guide you read, if you want get more knowledge just go with knowledge books but if you want sense happy read one together with theme for entertaining including comic or novel. The particular Breaking the Rules (Pushing the Limits Book 5) is kind of e-book which is giving the reader erratic experience.

Christopher Small:

People live in this new day time of lifestyle always try and and must have the spare time or they will get great deal of stress from both everyday life and work. So , once we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we inquire again, what kind of activity are you experiencing when the spare time coming to a person of course your answer will unlimited right. Then ever try this one, reading guides. It can be your alternative with spending your spare time, the actual book you have read is Breaking the Rules (Pushing the Limits Book 5).

Gerald McMullen:

As we know that book is significant thing to add our information for everything. By a publication we can know everything we really wish for. A book is a group of written, printed, illustrated or even blank sheet. Every year was exactly added. This reserve Breaking the Rules (Pushing the Limits Book 5) was filled concerning science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big benefit of a book, you can experience enjoy to read a publication. In the modern era like today, many ways to get book which you wanted.
