Fender Precision Bases: 1951-1954 By Detlef Schmidt

(Guitar). Introduced in 1951, the Fender Precision Bass is the precursor of all modern electric basses. This book takes a look at the history of the "slab body basses" and the most famous players. In addition to many historical photos, the full color book lists many basses with beautiful pictures, detail shots, and anecdotes. This book is a must-have for every bass player and enthusiast or collector.

Editorial Review

About the Author

Detlef Schmidt (Germany) is a guitar and bass collector ever since 1984. As a collector, he has a worldwide network of fellow collectors of early Fender Precision Basses. As a bass player, he is touring with bands in Europe. He recorded and toured with US Blues artist "Louisiana Red" and one of Germany's leading Bluesbands "Matchbox Blues Band". His daytime job is being a college instructor of Marketing and Business administration.

Users Review

From reader reviews:

Tammy Ely:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each book has different aim or maybe goal; it means that reserve has different type. Some people truly feel enjoy to spend their time and energy to read a book. They may be reading whatever they have because their hobby is usually reading a book. How about the person who don't like reading through a book? Sometime, particular person feel need book whenever they found difficult problem as well as exercise. Well, probably you will want this Fender Precision Basses: 1951-1954.

William Davis:

Information is provisions for people to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider when those information which is from the former life are difficult to be find than now is taking seriously which one would work to believe or which one often the resource are convinced. If you get the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Fender Precision Basses: 1951-1954 as your daily resource information.

Zandra Woods:

Many people spending their period by playing outside along with friends, fun activity using family or just watching TV all day every day. You can have new activity to spend your whole day by examining a book. Ugh, think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smartphone. Like Fender Precision Basses: 1951-1954 which is keeping the e-book version. So , why not try out this book? Let's find.

Irving Dorn:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Fender Precision Basses: 1951-1954 can make you truly feel more interested to read.
