Seeking the Light: Uncovering the Truth About the Movement of Spiritual Inner Awareness and Its Founder John-Roger By James R. Lewis

Researcher and expert in nontraditional religions James R. Lewis explores the Movement of Spiritual Inner Awareness (MSIA) from the inside out. His comprehensive study looks at MSIA under a microscope, examining the religious and spiritual heritage of MSIA, and presenting the truth about this so-called controversial movement. His conclusions are enlightening and informative, interesting not only in the context of MSIA, but in relation to our politics, our culture, and our response to alternative religious movements.

Editorial Review

From the Publisher

Lewis' case study of MSIA is pioneering a maturing phase of the study of New Religious Movements. By combining insights from a generation of studies by sociologists historians and comparative religion scholars he has produced a thorough and balanced study of an important new religion though one little known apart from the several public controversies in which it has been involved
